Our Marine Services

From bespoke canal boat builds to complete refurbishments and marine repairs, Midway Boat Group delivers craftsmanship, quality and attention to detail across every project.

About Midway Boats Group

With years of experience in canal boat construction and marine refurbishment, we specialise in creating beautifully crafted boats designed for comfort, performance and life on the water. Every project is built with precision, care and a passion for British craftsmanship.

Luxury Canal Living

Life Aboard, Reimagined

Beautifully finished interiors designed to transform every journey into a luxury experience on the water.

Designed with modern canal living in mind, our interiors blend handcrafted detailing with contemporary comfort. Carefully selected materials, intelligent layouts and elegant finishes create spaces that feel both luxurious and functional.

Beautiful Spaces,

From handcrafted kitchens to refined living areas, every detail is designed to create a warm and timeless onboard experience.

Signature Builds

Combining traditional craftsmanship with modern finishing techniques, we create distinctive canal boats built to leave a lasting impression on and off the water.

Refined Onboard Living

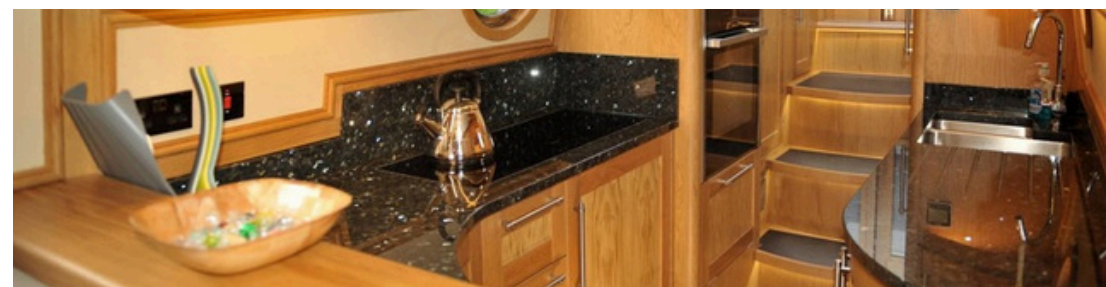

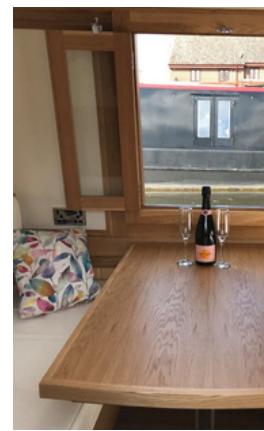

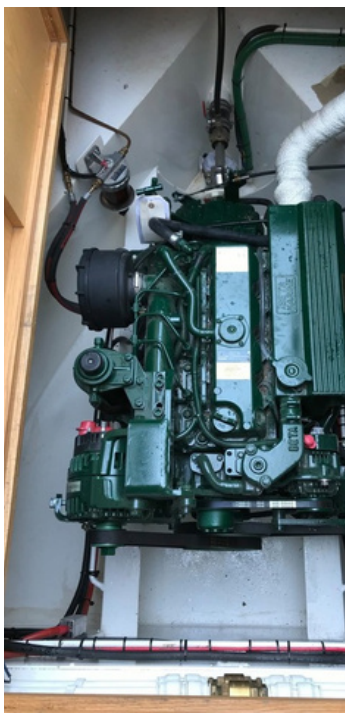

Behind every beautifully crafted interior is a carefully engineered electrical and control system designed for reliability, safety and modern onboard living.

From luxury shower suites to beautifully finished living areas, every detail is crafted to enhance life aboard.

Designed Around the Journey

Every layout is carefully crafted to combine comfort, practicality and timeless canal boat elegance.
